- MY OBJECTIVE

I am looking to make a transition into the following areas of discipline: **Visual, Interaction, and UI Design.**

- ABOUT ME

OCD for UCD! My highest value is his ability to cross collaborate with others in a user-centred design process but more importantly my ability to adapt my creative skills across a wide range of design disciplines.

Also, I am eager to contribute these skills to the growth and development of a fast pace, positive, and team oriented environment.

- EDUCATION
